The Unicorn

A long time ago when the Earth was Green;
There were more kinds of animals
Then you've ever seen
They'd run around free
While the world was being born;
But the loveliest of all was the unicorn.
There were green alligators and
Long necked geese;
Some Humpty back camels and chimpanzees
Cats and rats and elephants but
Sure as you're born.
The loveliest of all was the unicorn
The Lord saw some sinning and it caused him pain.
He said "Stand back. I'm gonna make it rain.
So, hey. Brother Noah,
I'll tell you whatcha do. Build me a floating zoo.
And you take
Two alligators, and a couple of geese;
Two hump back camels and two chimpanzees
Two cats, two rats, two elephants.
But sure as you're born,
Noah, don't you forget my Unicorns"
Now Noah was there and he answered the calling.
He finished up the Ark as the rain started falling
Then he marched in the animals two by two.
And he sung out as they went through
"Hey Lord! I got you two alligators,
Two long necked geese; Two humpty back camels
and two chimpanzees
Two cats, two rats, two elephants.
But I'm so forlorn.
Lord, I just don't see your Unicorns
Well Noah looked out through the driving rain.
But the Unicorns were hiding, playing silly games
They were kickin' and a'splashin'
While the rain was a'pourin'
Oh those silly unicorns
Then the ducks started duckin' and
The snakes started snakin'
The elephants started elephantin' and
The boat started shakin'
The mice started squeakin' and
The lions started roarin'.

And everyone's aboard but the unicorns
I mean the two green alligators and
A couple of geese
The hump back camels and the chimpanzees
Noah cried "Close the door cause
The rain is pourin'.
And we just can't wait for the Unicorns
Then the ark started movin and
It drifted with the tide.
The unicorns looked up from the rock
And they cried
The water came up and sort of floated them away.
That's why you've never see a unicorn
To this very day.
You'll see lots of alligators.
A whole mess of geese.
You'll see hump back camels and chimpanzees
You'll see cats and rats and elephants
But sure as you're born,
You're never gonna see a unicorn.

To the Zoo

Where are you going today? To the Zoo! (2x)
And mommy and daddy are going, too.
We're going to the Zoo!
We're going to see a lion;
He'll roar and walk around.
If I were a lion, this would be my sound
I'll get to watch the monkeys swing from a tree.
I will make his sound when a monkey looks at me
Where are you going today? To the Zoo! (2x)
And mommy and daddy are going, too.
We're going to the Zoo!
Next we'll see the snakes
Crawl on their bellies and hiss.
I will wiggle my body. Make their sound like this
I want to see an elephant make his big trunk sway.
I'll hear the elephant's sound.
It will sound this way.
Where are you going today? To the Zoo!
And mommy and daddy are going, too.
We're going to the Zoo!
