Mr. Froggy

Mr. Froggy came out one day
Said "Hi Gioia Belle, would you like to play?"
Gioia said, "Hi frog, how do you do?"
Yes, I'd like to play with you."
So they hopped from pad to pad
Oh what a good time the froggy had
He had fun all day long
Hopping on the pads and singing his song.
Oh what great fun today
Now Mr. Froggy has to go away
But he'll be back to play again
'Cause Mr. Froggy likes his new friend!

Five Fingers in My Pocket

I've got five fingers in my pocket
Five fingers hidden away
Five fingers in my pocket. Look! One went away!
I've got four fingers in my pocket
Four fingers hidden away
Four fingers in my pocket. Look! One went away!
Repeat for three, two and one. . .
I've got no fingers in my pocket
No fingers hidden away
No fingers in my pocket. Look!
Five fingers back to stay. Hurray!

The Car Seat Song

As we were getting ready to go for a ride
"I don't want my car seat," my little child cried
"I'm getting big now." "I want to ride like you!"
To which I must reply, "That simply will not do."
Because your car seat holds you safe
It's like your mommy's arm
It's mom or daddy's helper and
Keeps you from harm
While you sit in your car seat
You can read, or sing, or play
And it's because I love you it has to be that way.
We were getting in the car and
You tried to stamp your feet
Calling out, "I don't want to sit in a car seat!"
I tell you firmly "In the car seat you must go!"
And it's because I love you so.

I'm A Little Bunny

I'm a little bunny, I'll bet you think that's funny
A little baby bunny makes every day sunny.
I'm a little bunny. I haven't any money
But this little bunny thinks you are a honey.
I'm a little bunny
Hi there little bunny! I sure do think you're funny.
Little baby bunny
Why, thank you honey from this little bunny
By now from the bunny.
I'm glad you think I'm funny
'Cause this little bunny thinks you are a honey.
I'm just a little bunny

You've Gotta Smile

A friend called me up just the other day
He didn't talk very much but
He had something to say
He said he was feeling blue
I said, "Here's something
you should remember to do!"
You've gotta smile when you're down
You can't always wear that frown!
I hate seeing people cry
Things go wrong and then they sit and wonder why
And then they get to feeling blue
Well, here's something
they should remember to do:
They've gotta smile when they're down
They can't wear that frown
If you ever get the urge to talk
Just call me up and then I'll take you for a walk
And if I see you're feeling blue,
I'll sing my little song for you!
You've gotta smile when you're down
You can't always wear that frown!

My Birthday Song

I'm feeling good. It's my birthday today
My friends are coming over and we're gonna play
We'll celebrate all day long.
That's why I sing my Birthday Song
Shoo bob a do bop, shoo bop a do bop
Shoo bop a do bop do bee (bow bow bow)
Shoo bop a do bop, shoo bop a do bop
Happy birthday to me
Shoo bop a do bop sing along.
Everybody sing my birthday song
I'm happy, that's how I feel.
Having a birthday is a big deal
I'll be singing all day long.
Come on and sing my Birthday Song

What's Inside?

What's inside this egg? One might never know
For inside an egg different animals grow.
Let's open up this egg and see what's within.
Oh my, look! A baby chicken!

I'm A'Lookin

I'm a'lookin for a manatee.
And it's getting harder for me
I looked in the bay and I looked in the sea
but I can't find a manatee
Now where can we go to find a manatee when
they're disappearing from the sea?
To the bay: (Oh no) To the Sea? (Oh no).
We better take care of the manatee
I'm lookin' for a panther from F-L-A.
I don't see one around today
I looked in the panhandle, I looked down south.
The Florida panther isn't about
Now where can we go and look today
To see a panther in F-L-A?
In the panhandle? (No) Down south? (Oh no).

The Florida panther isn't about
I'm lookin' for an eagle in the sky.
I don't see one flying by
Looked in the brush, looked in a tree.
The eagle is getting harder to see
Now where can all the eagles be?
I've looked and there are none to see
In the brush? (Oh no) In a tree? (Oh no)
Eagles might be gone eventually.
I'm learning to take good care
Of every animal everywhere
In the land and in the sea.
Animals are part of humanity!

Little Bunny Foo-Foo(the new, improved version)

Little Bunny Foo-Foo hopping through the forest
Scooping up a field mouse and poppin' him on the head.
Out came his mother and she said,
"Little Bunny Foo-Foo I don't want to see you
Scooping up a field mouse and
poppin' him on the head"
Spoken: Now little Bunny Foo-Foo,
I know you know better than to treat another
animal that way. You go sit by yourself
for a while and think about this." *Repeat 1st verse*
Spoken: Now Bunny Foo-Foo I am very
disappointed in your behavior. I know you can
think of a nicer way to treat that mouse. You go
sit by yourself a while longer and when you think
of a nicer way, you let me know". So, Bunny Foo
Foo sits a while longer, and finally:
Little Bunny Foo-foo hopping through the forest
Scoops up a field mouse and gives him a great big
hug! And his mother says,
"Little Bunny Foo-Foo I am so proud of you!
Come into my lap and get a treat big hug."
And the moral of this story is that it is much
better to be hugged than it is to be hit!

The Mexican Hat Dance

We like to do a dance like down in Mexico
Kick heels and clap our hands
Then around the circle we go!
Around and around the circle
Around and around we go
When we do a hat dance like down in Mexico!
We like to shout "Ole!" when we are having fun
Kick heels and clap two times
Then join hands everyone.
Around and around the circle
Around and around we go
When we do a hat dance like down in Mexico!
When we do a hat dance we all will say one more
"Ole!" Like down in Mexico. Ole!

The Clean Up Blues

Was playing this morning had toys on the floor
When my mommy opened up the door.
She said, "Clean up this mess.
You better pick up all you toys."

I got the clean up blues like lots of other girls and boys

The clean up blues, the clean up blues

From the top of my head

Down to the bottom of my baby shoes

I want to keep on playing

But I've got the clean up blues

Don't wanna clean; just wanna play

But daddy says I have to put my toys away

Mommy, mommy, mommy. Daddy, daddy, daddy, too

I guess cleaning up is something

I'll always have to do
