

Hip Hop Mob

We hip. We hop.
We're the hip-hop mob. Yeah, we don't stop. (2x)
We're the hip-hop mob. Yeah, we're a crew.
We think it though. We do the Roo.
We're the hip-hop mob and we say to you,
You can join us, too.
We hip. We hop. Etc.
We never would do drugs. That's right!
We wouldn't join a gang. No way!
We use words to stop a fight. Thumbs up!
We people ask about us, this is what we say...
We hip. We hop. Etc.
We're the hip-hop mob. Yeah, we're a crew.
We think it through. We do the Roo.
We're the hip-hop mob and we say to you,
You can join us, too.
Come on, and do the Roo!!!

The Morning Strut

Come on everybody and hear what I say
It's the start of another day
So clap your hands and stamp your feet
Don't matter what you do, just get the beat.
Bounce your body up and down. Shake yourself to the sound
Your body's moving and we're having fun
We'll keep on going 'til the day is done.
Come on everybody, sing and dance
Start the day right, here's your chance
Making music feels so good
Get going with me, you really should
Wear a smile and sing a song
If you don't know the words then hum along
Music is for you and me. Start your day off happy!

Say "I Can"

I have a little brother. He tries things that are hard to do
I tell him you can do it. Listen to this song, won't you
If you think you can, you can. Cause attitude is in your head
Never say I can't. Say I can instead
Can you jump on one foot? I can. Can you count to ten? I can
Can you put on your shoes? I can. Can you sing w/me? Yes, I can.
Can you be a friend? I can. Can you blink each eye? I can
Can you touch your toes? I can. Can you whisper? Yes, I can

Co-op-er-ate

We sing about a special word today. Co-op-er-ate
We use it at work, school and play. Co-op-er-ate
It's so important to get things done. Co-op-er-ate
So, come on, cooperate everyone! Co-op-er-ate (2X)
Each part of the word. Co-op-er-ate
Must be said, must be heard. Co-op-er-ate
They work together like people do. Co-op-er-ate
Like we needs a me and you. Co-op-er-ate
The four syllables in cooperate work together, they participate
To make a word that's really strong
If they don't work together it comes out wrong!
Like Er-ate-op-co etc.
Co alone means company. Op is a kind of art you see
Er means you forgot what to say.
Ate's the past tense for eat. OK?
So put your hands together and sing this song. Co-op-er-ate
It's a nice feeling to get along. Co-op-er-ate
It makes you feel so good inside. Co-op-er-ate
Cooperating gives you pride. Co-op-er-ate
So once more before we're done
Let's sing Cooperate everyone! Cooperate!

I'm A Helper

I'm a helper. I'm a helper. A community helper for you.
Let's take a moment and talk about what I do.

Respect and Pride

Feeling good towards others. Feeling good inside.
They go together. Respect and pride.
Pride is feeling good about who you are.
Pride is feeling you belong.
Pride is what you feel when making right choices over wrong.
Respect for others choices. Respect for others style
Respect for others all the time. Not once in a while

H-A-P-P-Y!

I'm so happy I've got a song. I'd like to sing it to you
When you learn all the words, you can sing it, too
I'm h-a-p-p-y. Spell it and shout "Wool!"
H-A- P-P-Y. Now you're happy, too
I'm so happy. I always wear a smile. People say "Are you for real?"
I say I smile all the time 'cause a frown has no appeal.
I know its okay to be sad sometimes. And sometimes I might cry
Sometimes I need to feel these things
To appreciate when I-am H-a-p-p-y etc.

I Can Be Whatever I Want

My mom told me, when I was real small
Here's the world, you can have it all
You can be whatever you want to be
I thought, "I think I'll start out being me
I can be whatever I want, if I try
A teacher on this earth, a pilot in the sky
I can be whatever I want, I've lots of time
And if I want, I can change my mind
I was thinking bout the choices in my life
To have a career, be a mother, a wife
I can be one, or be all three
But first I must be comfortable with me!

I Said "No"

Did you hear me? I said no. I meant it. I said No
Did you hear me? Stop I say. No means no so please obey.
No's a small word. But its message is strong
If you listen, we can get along.
I feel good I can use that word
But I'd feel better if I knew you heard
When someone says No, you need to hear.
No means no. Its message is clear.
You can say it but you must listen too
When someone says No to you

I Just Can't Seem to Tie My Shoes Yet

I can dress myself in the morning. I can reach the light
I now sleep in a big bed when I go to sleep at night
I know my phone number. Its something I don't forget
I just can't seem to tie my shoes yet!
I know you take the laces and flip one over the other
I've seen it many times; I've watched my mother
This makes me feel bad. And there's something I want to know,
How come I can't tie a bow?
I can say my ABCs. I know my last name.
I know how to take turns when I play a game
I know what street I live on. I take care of my pet
I just can't seem to tie my shoes yet!
Why can't all shoes have velcro?

Wash Yourself

Dinners over and you had your play
I think I heard your mother say
"Brush your teeth. Time for cleaning up.
Take off your clothes and jump in the tub."
Wash yourself. You've got to wash yourself.
You've got to wash yourself from your toes to your head
Before you put yourself to bed.

Wash your body and your face.
Make sure you get every place
Wash between all your toes
Don't forget to blow you knows
Wash yourself etc
In the tub—scrub, scrub;
On your face—rub, rub
Clean your teeth—brush, brush;
Use the toilet—flush, flush
Wash yourself etc

Holidays Are Fun

Christmas, Chanukah, Kwanzaa, too. Solstice, Eid fun for you
Cinco de Mayo, Carnival. Holidays are fun for one and all.
Holidays are fun, but keep this thought
People are busy, forget things they're taught
Everyone is going fast to get things done
Remember safety rules so holidays are fun!
Fourth of July, St. Paddy's Day. Chinese New Year and Moon Day
Holi Day, Ramadan, Sukkot in the Fall
Holidays are fun for one and all!

Playgrounds

Listen everybody, come gather 'round
We're talking safety rules for the playground
If you're on a slide or on a swing
Safety is an important thing
When we think of playgrounds we think of fun
But safety must be Number One!
When on a swing, don't go too high
Watch for others passing by
On the merry-go-round or on the slide
Keep hands and feet safe inside

Let's Just Cuddle

The day is just beginning. There's something I'd like to say
I want to spend time with you before we start our day
Let's just cuddle. It's something I'd like to do
Let's just cuddle. Me and You!
Mommy's always busy. There always is a chore
Well, I can finish later. With work there's always more
Let's just cuddle....
The day is almost over. Let's sit together and read
And while we're doing that, there's something else I need
Let's just cuddle. Hold me tight.
Let's just cuddle. Before we say good night!

Goodbye to You

Goodbye to you my little friend. Goodbye to you I'll see you again
It doesn't matter where you're from,
Let's say goodbye to everyone
Take your little hand and wave by, bye bye. In Spanish, Adios
Take your little hand and wave by, by, bye. In Vietnamese, Jow
Take your little hand and wave by, by, bye. In French, Au Revoir
