I see a lot in my stroller  
When I'm out for walks.  
I learn so much as my mammy talks.  
She stops. She points.  
She tells me what she sees.  
A flower. A bird. Another baby.  
I see a lot in my stroller. I like what I see.  
It's so special. Just mammy and me.

### **Busy Parent**

I'm a busy parent; You know that is true.  
I'm a busy parent but I've got time for you.  
Each & every morning as we're rushing out.  
I might get hurried; I might even shout.  
I get you in the car and we kiss goodbye.  
I tell that I love you; then I've got to fly.  
When work and school are over,  
My work's still not done; Cause now it's time  
To get dinner for everyone.  
I look at you and remember  
To take a deep breath and stop.  
I reach out my arms & into my lap you hop!

### **Playing & Learning with Music**

These songs are for our youngest children - 0 to 3. Often, we expect them to enjoy the same music as the older children: this is not realistic. These songs are specifically written with them in mind. The songs are easy, repetitive and short. Please share them and enjoy the love. (By the way, the 4s and 5s don't mind still listening either!)
