

Shake it! Shake it!

Shake it. Shake it. Shake what you've got
Shake it. Shake it. Shake it a lot
Shake your hands. 1, 2, 3.
Shake your hands. Shake them with me
Shake your head. Shake your body.

You Gotta Laugh

You gotta laugh. Ha ha ha. You gotta laugh. Hee hee hee
You gotta laugh. Ho Ho Ho Ho. You gotta laugh.
Laughing feels good you know.
Many things can make you laugh like
When daddy tickles your belly
Or when mommy bites you toes and says "These are smelly"

Pee Pee in the Toilet

When you get the feeling you have to go.
You need to let an adult know
You say "I do pee pee in the toilet bowl.
Because I am 2 years old." Psss Psss
Take your time; do not rush.
When you're finished, you must flush.
No more diapers; Big kid pants for me.
I use the toilet when I pee.

My Hands

My hands have fingers. My feet have toes.
My legs have knees. My face has a nose.
My fingers have nails. My head has hair.
My mouth has a tongue. Want to see? PPP. There.

What Would I See?

If I stood on Earth and looked up high,
What could I see in the sky?
The Sun. Its hot! Repeat question.
A star. They're bright. Repeat question.
A rocket ship. Zoom. Fast! The Moon. At night.

Nothing Else

I'm riding in the car and I have to sit still.
I can't do anything. I have to sit still.
But I can tap my toe. But that's it. Nothing else.
Repeats and add "And slap my thigh"
Wiggle my butt. Nod my head. Do this with my tongue.
Songs over. Are we there yet?

Someone Else's Turn

It's someone else's turn; it's not your turn.
I'm sure you can learn when it's someone else's turn.
Someone else was picked to do what I wanted to do
I was told "Next time, I might pick you."
My brother got gifts on his birthday
I was happy for him. I learned to say....

Who's in the Barnyard?

Who's in the barnyard?
Who's my barnyard friend?
The first friend is pink and "Oink" says he
Can you name this friend for me? Pig
Our next friend makes milk for you
Tell me which friend says "Moo". Cow
He walks with a waddle and "Quack" he'll say
Who's this animal that just came our way? Duck
This friend is gentle and "Baa's" his sound
Who is this friend we've just found? Goat
This friend is different. On 2 legs he'll stand
He's not an animal; he's a man. The Farmer!
All our barnyard friends are here with their song
Pick your favorite and sing a long!

Monkey, Monkey

Monkey, Monkey #1.
What can we do for some fun? Make a face.
Monkey, Monkey #2.
Tell me something we can do? Try a silly sound.
Monkey, Monkey #3.
What can you do with me? Bump sides together
Monkey, Monkey #4.
Can you add something more? Stomp your feet.
Monkey, Monkey #5.
If you had a car, how would you drive?
Like this - Vroom, vroom
Now all 5 monkeys have had a chance,
Get together do the Monkey Dance
Ooh ooh- EE EE -Ah Ah Ah

My thumb

I love to chef pretzles, crackers or fruti
They go in mouth; you understand
My mouth chews the things that I eat but
My thumb is for my hand
My thumb helps my hand hold a scissor
My thumb helps my hand to hold a cup
My thumb helps me put food in my mouth
And I use it to show "Thumbs up!"
When you use your mouth for talking, sep it empty
That will make you easy to understand
Your tongue is for talking and for eating but
Your thumb is for your hand.
