Tune for Tiny Tots

These are tunes for tiny tots
For people who are small
Yes these are tunes for tiny tots. Boys and girls all
These are tunes for tiny tots. So come along and sing
Aw! Making music is one of my favorite things!
Oh you like to clap your hands
And you like to stamp your feet
It's something done easily with a Celtic beat
So come along and join us now in our Irish song
Doesn't matter what you do. No one's steps are wrong

I Like Apples

I Like Apples, I like Peas.
I like Lentils, I like Cheese
When I eat them, my tummy says "YUM!"
So everyday, I eat some!

Will You Ever See a Dinosaur?

Will you ever see a dinosaur? Not anymore! (2X)
You'll never hear a dinosaur's great big roar
You'll never have a dinosaur Stomp across the floor
You'll never have a dinosaur come in through your door

Big Alligator Jaws

Big alligator jaws go snap, snap, snap
His tail in back goes slap, slap, slap
The alligator crawls around on the ground

He's usually green, but sometimes white or brown
To move he makes his belly drag
If he comes after you, you better run zig zag!
The alligator has beady eyes
He can be small or large in size
If you see one, don't give him food
That's being safe; it's not being rude!

I'm a Penguin

In the cold snow I play. I like it that way.
I'm a penguin. I'm a penguin.
On the ice I slide and it's a bumpy ride.
I'm a penguin. I'm a penguin.
My colors are black and white.
And some think it's absurd.
That I can't fly even though I'm a bird!

Community Helpers

I'm a helper. I'm a helper.
A community helper for you.
Let's take a moment and talk about what I do.

Rabbit in My Hat

I have a little hat
I bet you think I keep it on my head
But there is something else I do with it instead
Can you imagine that? I keep a rabbit in my hat.

Ra-Ra-Raccoon

I'm a ra ra ra ra ra ra raccoon
I'm gonna sing you a tu tu tu tune
Under the sun or the moon
I'm a ra ra ra ra ra ra raccoon. She's a ra
My eyes have circles; My tail has rings
And what's so special is
I'm a ra ra raccoon that si sings!
I'm always looking for things to eat
People chase me 'cause I'm not so neat!

Daddies are Special People

Daddies are special people. They really love to play
They like to hug and cuddle at the end of a long day
Daddies are special people.
It's something all kids know
And everyday I tell my dad, "Daddy, I love you so!"

I Just Can't Seem to Tie My Shoes Yet

I can dress myself in the morning
I can reach the light

I now sleep in a big bed
When I go to sleep at night
I know my phone number.
It's something I don't forget
I just can't seem to tie my shoes yet!
I know you take the laces
And flip one over the other
I've seen it many times. I've watched my mother
This makes me feel bad
And there's something I want to know,
How come I can't tie a bow?
I can say my ABCs. I know my last name.
I know how to take turns when I play a game
I know what street I live on. I take care of my pet
I just can't seem to tie my shoes yet!
Why can't all shoes have velcro?

Quietly

Come now all your children. Please listen to me
It is time to do something very quietly
Our lesson now is over. We've something else to do.
Listen carefully I'll tell you what to do
Please stand up now. Turn and face the door
Move your feet quietly across the floor
Remember your manners. Stay in your own space
Keep hands to your self as you walk to your place

Who Are You?

Who are You?
I'm an owl. I'm a bird. Is the answer I heard.
He sits up in a tree watching carefully
In the forest deep, the owl his watch will keep
While you are safe asleep

My Fat Cat

I had a cat (I had a cat) As fat as could be
She couldn't climb up (...) My back yard tree
She'd lay around () Just say "Meow" ()
But boy could she run when she heard "Bow Wow"
She'd run, skit skat all around
Her tail would get real fat
Skit skat all around, My fat cat.

You'll Always Be My Child

You'll always be my child. You'll always be my little one
I am so proud of all that you've done
You'll always be my child and I want you to know
I will always be there watching you grow
Enjoying it so

When you were born, I was told time would fly
I can't believe all these years have gone by
When you started school on that very first day
I swallowed my tears as you walked away
Did you hear me say?

Let's Just Cuddle

The day is just beginning
There's something I'd like to say
I want to spend time with you
Before we start our day
Let's just cuddle It's something I'd like to do
Let's just cuddle. Me and You!
Mommy's always busy. There always is a chore
Well, I can finish later with work there's always more
Let's just cuddle....
The day is almost over. Let's sit together and read
And while we're doing that
There's something else I need
Let's just cuddle. Hold me tight.
Let's just cuddle. Before we say good night!

Start at the Beginning

Start at the beginning. Sing with all your heart
Let your friends sing with you,
til you're back at the
