Dinosaur Dance

There's a dino on the dance floor and he wants to
dance with you. This is what you're gonna have to
do.
Move your backside. Make it sway.
Stomp your feet on the floor.
Open your mouth. "Roar" you say.
You're dancing like a dinosaur.
Dinosaurs lived a long time ago.
When's the last time we saw one? I don't know
But that guy in those leather pants?
He's doing a dinosaur dance.
Move your backside. Make it sway.
Stomp your feet on the floor.
Open your mouth. "Roar" you say.
You're dancing like a dinosaur.
Now that lady has some very sharp teeth.
She's dancing to a real big beat.
I've never seen these people before but
They sure dance like a dinosaur.
Move your backside. Make it sway.
Stomp your feet on the floor.
Open your mouth. "Roar" you say.
You're dancing like a dinosaur.
*Instrumental sax solo - spoken: hm. That
saxophone looks like a trunk.*
Well that couple has left. They've gone away.
I really wanted them to stay.
I wanted to ask coz I wasn't sure.
Are you really a dinosaur?
Hey wait! Aw, they're gone. Now we'll never know.
Move your backside. Make it sway.
Stomp your feet on the floor.
Open your mouth. "Roar" you say.
You're dancing like a dinosaur.

My Teddy Bear

At night when I'm sleepy and in bed alone,
I have a friend that is all my own.
He's furry, cuddly and I love him a lot.
My teddy. The best friend that I've got
Give a hug and a squeeze and a tickle right there.
It's great to have a teddy bear.
In the car, in my car seat I sit and
My teddy doesn't complain a bit.
I hug him as we travel on our way.
He sure always brightens my day.
Give a hug and a squeeze and a tickle right there.
It's great to have a teddy bear.
When we sit to read a book,
Teddy's in my lap so he can look
We do everything together you know.
Wherever I am, that's where teddy will go.
Give a hug and a squeeze and a tickle right there.
It's great to have a teddy bear.

I Love You All The Time

When mommy had a baby, it was a very special day
She took you in her arms, and this she did say,
"I love you all the time, in the morning and at noon
I love you all the time,
In the evening under the moon
I love your little belly, I love your little ear
I love you all the time and put a kiss right here!"
When daddy had a baby.....
When baby had her parents,
It was a very special day
She looked up in their faces,
And wished that she could say,
"I love you all the time....."
