

What is Music with Mar.™?

Thank you for your interest in Music with Mar.

MwM has many aspects to it.

1. The interactive music and movement program that instructors teach throughout the country, as well as internationally;
2. Educational trainings done by Mar. and trained instructors
 - a. For state, national and international educational conferences; and
 - b. For local early childhood centers or interested group, ie Mom's Club.
3. MwM Certification for Early Childhood Centers;
4. MwM Staff training;
5. Recording of music to be used in the program; and
6. Product line to support the program.

Staff Training

Staff training includes a choice of 1, 2 or 3 hours. Cost is :

1 Hour	\$ 500
2 Hours	\$ 900
3 Hours	\$1200

The training includes a Mr. Froggy puppet and one 30 minute show for the children on the same day as the training. This could be done in the morning if it is a half day with training for staff after lunch. Or, at 6:30pm or another time that day that works for you.

Certified Center

To receive the licensing rights, training and materials to become a MwM Certified Center, one must meet certain criteria as well as pay a fee.

The cost to become a certified Music with Mar. Center (inclusive of the materials) is \$1500. There will be an annual renewal fee of \$250. This fee includes your receiving new products, continued licensing rights, an annual 1 hour workshop (value \$500), ability to offer the community class and inclusion of your center on the website and social media. Should you wish to not have the annual workshop, the renewal fee is waived. You could continue to use the program. You just wouldn't receive new materials, workshop, and ability to have a community class or website listing and social media recognition as a Certified Center.

One person on staff can be trained to offer community MwM classes at your facility. They may not offer classes anywhere other than your facility.

Following is a breakdown of the Certification information.

Music with Mar. Licensing Information

Becoming a Music with Mar. Certified Center entitles you to the following:

1. The rights to use the Music with Mar. Curriculum in your ECC;
